DOMINION ORDERS IN COUNCIL.

[773]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 16th day of May, 1899.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

WHEREAS the Department of Indian Affairs has requested that a strip of land, one chain and one-half chain in width, be added to the Musqueam and Langley Indian Reserves, in Township 38, west of the Coast Meridian, in the District of New Westminster and Province of British Columbia, such strip of land being situated in what was formerly an Indian Reserve for camping purposes, and which was relinquished by the Department of Indian Affairs and assumed by the Department of the Interior on the 12th of June, 1891;

And whereas the Indian Reserve Commissioner at Victoria reports that the Indians have fancied this land and have planted orchards thereon, and recommends, as the said Musqueam and Langley Indian Reserve has been diminished by the right of way taken for railway construction, that the piece of land applied for be added to the said Indian Reserve, such strip of land being shown coloured green upon the annexed plan and being more particularly described as follows, namely:—

That certain tract of land adjoining the Musqueam and Langley Indian Reserves in Lot No. 1, Group 2, Township 38, west of the Coast Meridian, New Westminster District, Province of British Columbia and Dominion of Canada, containing two acres and thirty-six hundredths of an acre, which may be more particularly described as follows:—

Commencing at a stone monument marking the easterly angle of the said Indian Reserves planted in the limit between Lot B and the said Lot 1, Group 2, at a point distant 5.15 chains from the Fraser River; thence south 48 degrees 12 minutes east 1.50 chains; thence south 38 degrees 48 minutes west parallel to the south-easterly limit of the said Indian Reserves, 15.68 chains to the limit between the said Lot 1, Group 2, and Lot 2, Group 2; thence north 51 degrees 12 minutes west along the said limit 1.50 chains to the south-easterly limit of the said Indian Reserves; thence north 38 degrees 48 minutes east along the said south-easterly limit 15.76 chains to the point of commencement;

And whereas the said land has been found available for the purpose mentioned,—

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada is pleased to order, and it is hereby ordered, that the above described strip of land shall be added to and form part of the said Musqueam and Langley Indian Reserves.

JOHN J. MCGEE,

my31

Clerk of the Privy Council.

[982]

AT THE GOVERNMENT HOUSE AT OTTAWA,

Tuesday, the 17th day of April, 1900.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

WHEREAS section 22 of the Regulations for the survey, administration, disposal and management of Dominion Lands within the forty mile Belt in the Province of British Columbia, established by Order in Council of 20th April, 1885, provides, among other things, for the collection of one dollar per acre, for all lands entered for under the provisions of the homestead conditions of these Regulations; and

Whereas petitions and resolutions from settlers and municipal councils in various localities throughout the Railway Belt have been received, praying that said section be repealed, and that settlers be granted title to their homesteads upon the ordinary conditions as to residence and cultivation as provided by the Dominion Lands Act with regard to homestead lands in Manitoba and the North-West Territories. Such petitioners stating that the charge of one dollar an acre is most exacting and burdensome, that clearing land in British Columbia is slow and tedious, and that the building and maintenance of roads add greatly to their expenses; and

Whereas it is now deemed advisable and in the public interest that these homestead lands in the Railway Belt should be thrown open to settlement upon the same conditions as lands of the same class in Manitoba and the North-West Territories;

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that all such lands as before mentioned in the Railway Belt already entered for and for which payment has not yet been made, and all lands hereafter entered for under the homestead provisions of the Regulations, shall not be made subject to the payment of one dollar an acre, but that they shall be treated similarly in this respect to similar lands in Manitoba and the North-West Territories, and the same is hereby ordered accordingly.

And His Excellency is further pleased to order that subsection (a) of section 22 of the said Regulations, established by Order in Council of 20th April, 1885, and subsequent Orders in Council, and which reads as follows:—

"Section 22. (a) At the expiration of three years "from the date of his perfecting his homestead entry, "the settler or, in case of his death, his legal representatives, upon proving to the satisfaction of the local "agent that he, or they, or some of them, have resided "upon and cultivated the land during the said term of "three years, shall be entitled to a patent for the land, "provided such proof is accepted by the Commissioner "of Dominion Lands, or, in his absence by a member "of the Land Board, and on payment of one dollar "per acre for the land; provided also that the patent "therefor shall not issue to any person not then a subject of Her Majesty by birth or naturalization" shall be and the same is hereby amended by striking out the words "and on payment of one dollar per acre for the land" which appear on the seventh and eighth lines of the said subsection (a) of section 22 of the printed Regulations before mentioned.
